The Intrinsic Value of the Society's Mutual System, and the Highly Profitable Character of its Business.

In this Society are combined the advantages of

MUTUAL ASSURANCE WITH MODERATE PREMIUMS.

The PREMIUMS are so moderate that, at usual ages for Assurance, **£1200** or **£1250** may be secured from the first for the same yearly payment which would generally elsewhere be charged (with profits) for **£1000** only—the difference being equivalent to an immediate and certain Bonus of 20 to 25 per cent.

The WHOLE PROFITS go to the Policyholders, on a system at once safe and equitable, no share going to those by whose early death there is a *loss*.

FAMILY SETTLEMENTS.—The system is thus specially suited for Family Provision, on marriage or otherwise, by securing from the first, for the smallest present outlay, a competent provision at a time when a family may be most dependent.

The SURPLUS at last Investigation was £1,051,035, which, after reserving one-third, was divided amongst 9384 Policies entitled to participate. First additions (with few exceptions) ranged from 18 to 34 per cent., according to age and class. Other policies were increased in all 50 and 80 per cent.

N.B.—It is to be borne in mind that had the higher premiums usually charged been paid, not only would the original assurance have been greater, but the amount of bonus additions would have been correspondingly larger.

Examples of Premiums for £100 at Death—with Profits.

Age.	25	30*	35	40†	45	50	55
During Life,...	£1 18 0	2 1 6	2 6 10	2 14 9	3 5 9	4 1 7	5 1 11
21 Payments,..	£2 12 6	2 15 4	3 0 2	3 7 5	3 17 6	4 12 1	5 10 2

*A person of 30 may secure £1000 at death by a yearly payment, *during life*, of £20 15s, which would generally elsewhere secure with profits £800 only. Or he may secure £1000 by 21 payments of £27 13s 4d, being thus free of Premiums after the age of 50.

†At age 40 the Premium *ceasing at* 60 is, for £1000, £33 14s 2d, being about the same as most Offices require during life.

THE ACCUMULATED FUNDS EXCEED 7¼ MILLIONS.

The New Assurances have for 17 years in succession exceeded One Million Sterling.

Expenses of Management under 10 per cent. of Premium Income.

Arrangements as to SURRENDER, NON-FORFEITURE, LOANS ON POLICIES, EARLY PAYMENT OF CLAIMS, &c., are specially liberal. POLICIES, as a rule, are WORLD-WIDE after five years, provided the assured has attained age 30.

REPORTS, with Balance-Sheet, Table of Rates, &c., may be had.

HIS GRACE THE DUKE OF BUCCLEUCH & QUEENSBERRY, K.T.

Vice-President.

SIR GRAHAM GRAHAM MONTGOMERY OF STANHOPE, BART.

There are no Shareholders to absorb any portion of the profits, but the whole of these are divided among the members.

The Leading Features are UNQUESTIONABLE SECURITY—LIBERAL CONDITIONS OF INSURANCE—EARLY PARTICIPATION IN PROFITS.

The Premiums are calculated by half-years of age.

POSITION OF THE SOCIETY AT 1st MARCH, 1890.

Existing Assurances, including Bonus additions, - **£10,595,178**
Income, - - £411,988. Accumulated Funds, £3,228,492

Complete and liberal Non-Forfeiture Regulations.—The Society has adopted the principle of Non-forfeiture to its fullest extent; and there is now no possibility of a valuable policy being forfeited through an accidental omission to pay the premium. When a policy has acquired a surrender value (generally after payment of three years' premiums), that value will not be forfeited by failure to pay the premium; but, if not paid to the policyholder in cash, will be applied to keep the policy in force, either temporarily for its full amount, or permanently for a reduced amount.

Claims are payable immediately after proof of death and title.

Loans granted in connection with Life Assurance on Life Interests, Reversions, and other approved security. Reversions purchased.

EARLY BONUS SCHEME (E.B.)

The following, among other special advantages, apply to ordinary Policies issued under this Scheme. Besides being payable immediately on proof of death and title, they are, *at the end of three years from their date,*

Entitled to rank for Bonus Additions;
Indisputable on the ground of Errors or Omissions;
World-Wide without extra Charge; and
Kept in force wholly or partially even in cases of Non-Payment of Premium.

At the last two Divisions of Profits, in 1884 and 1889, Ordinary Whole Life Policies under this Scheme received a BONUS ADDITION OF £2 PER CENT. for EACH year they were entitled to share.

SPECIAL BONUS SCHEME (D.B.)

Under this Scheme PROFIT POLICIES are issued at *Non-Profit Rates*, and share in the profits when the premiums received, accumulated at 4 per cent. compound interest, amount to the Sum Assured. *Policies issued at these cheap Rates practically receive a large Bonus at the outset.* At age 30, £1200 can be insured for the same Premium as would be charged for £1000 under the usual Profit Schemes of most Offices.

NEW

MAP OF PERTHSHIRE,

Reduced from the Ordnance Survey and Revised to the Present Date by

JOHN BARTHOLOMEW, F.R.G.S.

THE important changes which have recently taken place in Perthshire—the re-arrangement of the Parishes, and the adoption of county-council government, together with the general progress of the County in railways, roads, &c.—have suggested the desirability of bringing out at this time a new and complete Map incorporating these changes to the present date.

This Map is an accurate reduction of the Ordnance Survey to the scale of two miles to an inch. It contains every detail of any importance that is shown on the Survey, and has the special advantage of being thoroughly corrected to date.

By special permission of the Boundary Commissioners the new parish boundaries are here published for the first time. The Map measures 32 × 35½ inches. All roads are shown, and are distinguished as main roads, ordinary roads, and footpaths. Hamlets, mansion houses, farm houses, woods, antiquities, &c., are also clearly indicated. Instead of hill shading, contour lines are given at every five hundred feet, which, with the numerous heights given on roads and lochs over the County, enable anyone to form a correct estimate of the physical features of any district.

The value and interest of such a Map to the nobility, county gentlemen, ministers, lawyers, agriculturists, factors, parochial authorities, schoolmasters, and all interested in the County, is so evident that it is hoped its publication at a moderate price will be fully appreciated.

PRICES.

Folded and in Cloth Case, - - - 5s.

Mounted on Cloth and in Case, - - 7s. 6d.

Mounted on Rollers and Varnished, - 10s. 6d.

Estimates may also be had for mounting the Map in spring roller case, stretched on frame and varnished, or any other special form.

The Map is coloured to show the New Parishes as settled by the Scottish Boundary Commissioners.

Published by D. Leslie, 20 St. John Street, Perth.

ASSURANCE AGAINST ACCIDENTS OF ALL KINDS.

DEATH AND DISABLEMENT—FULL BENEFITS.

Accident Assurance has of late years so vastly developed that arguments to prove its utility are quite unnecessary. It is a well-known fact that by far the greater number of Accidents are due to the common casualties of every day life, and are not confined to those following the more hazardous occupations. All should therefore be Assured.

Special Bonus Policy to Non-Claimants.

Holders of Policies of £750 or £1000, with full Benefits, will be allowed the following Annual Reduction, providing No Claim is made :—

5 per cent. off Second Year's Premium.
7½ per cent. off Third Year's Premium.
10 per cent. off Fourth Year's Premium.
15 per cent. off Fifth Year's Premium.
20 per cent. off Sixth Year's Premium.

The Reduction of 20 per cent. continuing each year so long as no claim is made.

In the event of a Claim arising the following year's renewal will be granted with a reduction of only 10 per cent., with still further reductions each year, as above described, until 20 per cent. is again reached.

For example, an Assurance under Class I. of

£1000 in case of Death,
£1000 for Permanent Total Disablement,
£500 for Permanent Partial Disablement,
£6 per week for Temporary Total Disablement,
And £1 10s per week for Temporary Partial Disablement,

Can be obtained by a payment of £4, reduced each year until £3 4s is reached.

FIDELITY GUARANTEE BONDS

Are granted, providing Security for the Fidelity of Persons holding positions of Trust and Responsibility.

The Bonds of this Corporation are accepted by H.M. Local Government Board, for Clerks to Guardians, Collectors of Rates, Relieving Officers, &c. By H.M. Inland Revenue Board, for Collectors of Taxes, Distributors of Stamps, &c.

Bonds are also granted on behalf of Corporation Officials, and all Commercial Appointments.

EMPLOYERS' LIABILITY ASSURANCE.

Employers of Labour of every description are liable under the EMPLOYERS' LIABILITY ACT, 1880, to make compensation to their workmen for personal injuries sustained by them while in their service, to the extent of THREE YEARS' EARNINGS.

ABSOLUTE INDEMNITY from all loss under this Act, INCLUDING ALL LEGAL EXPENSES, is given by this Association's Policy, at rates varying from 1s. per £100 of wages and upwards.

JOINT ASSURANCE FOR MASTERS AND MEN, without contracting out of the Act. The Corporation also issues Policies to cover ALL ACCIDENTS DURING OCCUPATION, whether the Employer is liable or not, at rates varying from 6s. per £100 of wages and upwards. The following are the usual benefits, but they may be modified to meet the wishes of the Employers and of the Workmen.

I. Where the Employer is liable—
   Full compensation as provided by the E. L. Act.

II. Where the Employer is not liable—
   1. In case of death—One Year's Wages (Limited to £50).
   2. During Total Disablement—One-third of Weekly Wages (not exceeding 26 weeks).

The Premiums for these Policies are paid in full by the Employer, who, by arrangement, deducts from the workmen's weekly wages their contributions. These, for the above benefits, vary from ½d to 2d per week, according to occupation.

SPECIAL POLICIES are issued to Farmers Assuring the Payment of Wages for all Accidents to their Servants at a Premium of 10s per cent. on the total Wages paid.

☞ **Prospectuses of all information can be had on application to the Secretary, or any of the Company's Branch Offices.**

THE DUNDEE ADVERTISER,

(DAILY—8 PAGES—ONE PENNY)

The Leading Newspaper in Scotland North of the Forth,

Is an old-established Liberal Newspaper that has been repeatedly enlarged of late years, in consequence of the favour in which its large circulation and influence have caused it to be held as an advertising medium, and the efforts made to render it complete in all its departments. By the spirit and enterprise of its Managers, the *ADVERTISER* has become a splendid Advertising Medium, and is now invariably selected for all important announcements intended to be brought under the notice of the Mercantile, Manufacturing, Shipping, Professional, and Agricultural interests. Its reports and statistics upon the Linen and Jute Trades, of which Dundee is the seat, are quoted in all important commercial centres. On public questions its tone is fearlessly independent. Its London Offices at 186 Fleet Street are connected by special telegraph wire with the Head Office in Dundee, and it has also Branch Offices, with Special Reporting and Publishing Staffs attached, in the following important centres—viz., Forfar, Arbroath, Montrose, Aberdeen, Cupar-Fife, Perth, Stirling, Edinburgh, and Glasgow.

The Tartans of the Clans of Scotland,

WITH A PORTRAIT OF H.R.H. THE DUKE OF ROTHESAY.

THIS important Work has been produced to meet the growing demand for a high-class work on the "Tartans of Scotland," historically full of interest, and from their beauty of design and brilliancy of colour particularly adapted for illustration.

All the patterns (numbering seventy-two) have been copied with great care from the actual cloths as manufactured at the present day, so that their accuracy may be relied on with confidence.

To add to the interest of the Work, a brief History of Celtic Scotland is given; Clanship and Chiefs, their Dress, Arms, &c., &c., are fully treated of; while each plate of Tartan is followed by Historical Account of the Clan to which it belongs: these are from the pen of JAMES GRANT, Author of the "Romance of War," "Old and New Edinburgh," &c., &c.

The Arms, emblazoned in gold and colours, of the Chief of each Clan are introduced.

SAVINGS BANK

OF THE

COUNTY & CITY OF PERTH,

(Established 1838, and Certified under the Act of 1863)

AND

GOVERNMENT ANNUITY OFFICE.

THE OFFICE, TAY STREET, PERTH,

IS OPEN EVERY DAY, EXCEPT SATURDAY, FROM TEN TILL THREE.

ON SATURDAY FROM TEN TILL TWELVE NOON, AND FROM SIX TILL EIGHT EVENING.

N.B.—No Money paid out on Saturday after Twelve Noon.

THIS BANK receives Deposits of One Shilling and upwards, but not more than £30 in one year, ending 20th November, or £150 in all, which may accumulate, at Compound Interest, till it reaches £200.

Certified Friendly Societies may lodge their whole Funds. The Deposits of other Societies and Charitable Institutions are Limited to £100 in one year and £300 in all.

INTEREST, at a comparatively high rate, is added to the Principal once a year, at 20th November, irrespective of the Depositors' personal attendance at the Bank for that purpose, by which they derive the benefit of *Compound* Interest.

GOVERNMENT ANNUITIES, from £4 to £100 a-year, and the Insurance of Lives, may be contracted for through this Bank. Particulars may be had on application at the Office of the Bank.

The numerous advantages of the Institution will be seen from the Pass-Books, which are given to Depositors free of any charge.

The Funds of the Bank are securely invested, and the whole Accounts are periodically audited by a professional Auditor unconnected with the Bank.

The total amount of Funds invested 20th November, 1890, was £680,500 14/7.

The total number of individual Depositors at the same date was 21,537, embracing members of every section of the labouring and industrial classes.

The Bank opened in 1839 with 859 Accounts; now they number upwards of 21,500.

The Capital in 1839 was only £3000; now it is upwards of £680,000.

The utility and success of this Bank are thus sufficiently apparent from the amount of Business which has been done since its establishment in 1838.
